

Interested in better managing your chronic condition, earning extra \$\$\$, reducing your out-of-pocket medical costs and long term health risks?

Join HealthMapRx™!

What's in it for YOU?

- **You are eligible** for this program if you are diagnosed with or take a medication for: **diabetes, pre-diabetes, blood pressure, cholesterol or depression.**
- **CASH - \$200 - VISA card:** participants are awarded this incentive for successful completion of program requirements.
- **Reduced Co-Pays** – participants will enjoy a 50% reduction in the co-pays for their generic medications used to treat the conditions addressed by the program and for insulin, administration supplies and diabetes testing supplies.
- A **Pharmacist Care Manager** with advanced expertise in Diabetes, Cardiovascular Disease and Depression will meet with participants one-on-one during working hours to help prioritize individual health needs, improve knowledge and self-care skills, set and support efforts to achieve health related goals and better outcomes.

What is HealthMapRx™?

- A **new benefit** available to Western North Carolina Conference of the United Methodist Church clergy members and their dependents that are currently covered under WNCC-UMC health insurance.
- **Provided by PPCN**—A Company Specializing in Chronic Condition Risk Management Programs.
- Available at **NO COST** to Eligible Participants
- **Completely Confidential**
- **Enrollment opens in 2018 to start program January 1, 2019**
