2. If you don't have a smartphone, or prefer to register online, go to www.mdlive.com/perx. If you choose to register online, you can still download the App. You will use the same login and password at both places.
3. Or, on your phone, text "perx" to "635483". Sophie, a virtual assistant will walk you through the process of registering and then you can request a consult.
4. Call 1-888-910-8622. They will take your medical history. You can also schedule a consult whenever you need it.
